

Grass Fed Beef Price List - 2026

Whole, Half (Hanging Weight)

Price: \$8.50/lb (hanging weight)

Purchasing by the hanging weight is the most economical way to fill your freezer with premium grass-fed beef.

What's Included:

- Custom cutting instructions to suit your family's preferences
- Your beef is dry-aged, professionally cut and wrapped
- Approx. weight is 660-770lbs
- Includes soup bones
- Organ meat can be purchased separately at an additional cost

Customer Responsibilities:

- Processing (cut and wrap) fees are **paid directly to the processor**
- Customers are responsible for **picking up their order from the processor**

Processing Location:

Beef is processed at a provincially inspected facility in **Bashaw, Alberta**.

Cut & Wrapped Freezer Packages

Price: \$15.00/lb (packaged weight)

Our freezer packages offer the convenience of premium grass-fed beef without the need to arrange custom processing. Each package is professionally cut, wrapped, labelled, and ready for your freezer.

What's Included

- Approximately **82-90 lb** of packaged beef per 1/4
- A variety of cuts including:
 - T-Bone, Porterhouse, Tenderloin, Prime Rib, New York Strip Steaks
 - Brisket
 - Short Ribs
 - Roasts
 - Stewing Beef
 - Lean Ground Beef
 - Pre-made Burgers
- Soup bones and organ meat can be purchased separately at an additional cost

Grass Fed Beef Price List - 2026

Customer Responsibilities:

- Customers are responsible for **picking up on our farm**. Delivery available upon request.

Processing Location:

Beef is processed at a provincially inspected facility in **Bashaw, Alberta**.

Actual cuts and quantities may vary slightly depending on the size and anatomy of the animal.

Reserve Your Beef

Our grass-fed cattle are harvested from **early summer through late fall**. Because quantities are limited, we recommend reserving your beef well in advance.

A deposit is required to secure your order. Please contact us to discuss availability, estimated weights, and delivery dates.
