Bottle Raised Goat Kids

We have a number of bottle raised goat kids that were born in June. They are Spanish-Kiko crosses born healthy as triples or quads. They have received colostrum and are currently on our automatic milking machine and will take a bottle as well. They are friendly, well-socialized and make excellent breeding stock, pets or 4-H projects. Price \$75.00/each.

Barn Raised Kittens

We have two male kittens that were born at the beginning of May and are on solid food and ready to rehome. They have been raised with chickens, turkeys, goats and guardian dogs. They are very friendly and ready to go immediately. Price \$10.00/each.

Breeding Bucks

We have two breeding bucks available for sale that are Spanish/Boer crosses. They were born May 2025 and have been proven with kids being born this May. They have been trained on electric fence and are very quiet. Price \$450.00/each.
